

Subject: Important Update Regarding Covid Announcement: Maples Remains Open.

Dear Families,

This morning the Victorian Government announced State-wide, 7-day lockdown restrictions, with affect from 11.59pm on 20th July, 2021.

Premier Daniel Andrews has advised that **childcare and kinder will remain open for all families.**

We are still waiting to hear more information from the Victorian Government to understand how the latest restrictions will impact the operation of early learning services as they remain open.

At this stage, we have been informed there will be **no restrictions** on the attendance of children.

Please let us know if your child will be absent

As the government has made no provisions to waive the gap fee, Child Care Subsidy (CCS) rules will remain the same should families voluntarily keep children home.

Please notify us if you choose to keep your child at home. The best way to do this is to mark your absences in the XAP app. You can also notify your absences via email mernda@maplesearlylearning.com.au or call us on 1300 000 335.

Please [click here](#) for a step-by-step guide on how to notify an absence in the Xap App.

FAQs

We expect families will have questions about how these latest restrictions will affect the provision of childcare, so we have put together the following FAQs.

If I choose to keep my child at home, how does this impact my annual allowable absences?

Currently the government has not advised if allowable absences will be increase for any future lockdowns. At this stage, family allowable absences rest to zero as of 1st July 2021 and remain at 42 for 2021-22.

We will update families once we receive any further updates.

If I choose to keep my child at home, do I still need to pay full fees?

At this stage, the government is not allowing us to “waive the gap fee”. Therefore, full fees will apply.

Do I need to get a temperature check on entering the Centre?

Yes, you will need to get a temperature check when you enter our Centre, using our temperature check kiosk. Please ensure you print the temperature check sticker and wear it through the Centre.

Do I need to wear a mask in the Centre?

Yes, all families must wear a mask at the Centre.

Do children need to wear a mask in the Centre?

Children under age 12 are not required to wear a mask.

Will staff be wearing masks?

Educators are not required to wear masks whilst caring for children, however, they are still required to wear masks outside the classroom. At this stage we are encouraging staff to wear masks in the classroom but not enforcing it.

We will continue to monitor the cases and may choose to enforce educators wear masks if the daily community transmission increases.

What are we doing to protect our community?

- We are bringing back the temperature check stickers. No-one is allowed to enter the Centre unless they are wearing a temperature check sticker.
- Families must wear masks at the Centre.
- Hand sanitiser is available through the Centre. We ask that families sanitise their hands before entering.
- As always, sick children or staff are not permitted to attend the Centre.

We will keep you updated once we hear more from the Victorian Government.

Thank you for your support. Please stay safe.

Yours sincerely,

Lynda Kelly
Managing Director
Maples Early Learning
